# Scavenger Hunt!!

Spring-Summer 2015 Edition

**HOW TO PLAY:** Each picture clue shows all or part of an artwork inside the Yale University Art Gallery. The harder to find the work of art, the more points you score. So look carefully and look deeper! When you find the object, look at its wall label to provide you with the information to prove that you found it! Play by yourself, collaboratively with a group, or on competing teams.

**This edition is should be good well into the Summer, 2015.**

Yale University Art Gallery is a dynamic, world-class art museum—works can be taken down and replaced with others beyond the control or awareness of the writer of this Scavenger Hunt. That will just have to be part of the fun! Now, happy hunting!
